

Working Equitation Clinic

With Jessica Mosbaugh

Intro to Working Equitation with Jessica Mosbaugh

Join us as we explore the new and exciting sport of Working Equitation!

What is Working Equitation? The discipline of Working Equitation (WE) was created to celebrate the partnership between horse and rider, with a focus on classical horsemanship and use of the horse for ranch work.

Working Equitation competitions consist of four distinct trials, or tests. The first three, Dressage, Ease of Handling, and Speed, are required for both individual and team competitions. The fourth trial, Cow trial, is included for team competitions.

The Clinic is limited to 6 riders, auditors are welcome. We will focus on the Ease of Handling (obstacles) phase for Intro and Novice A level riders.

Cost of the **Clinic is \$150** and includes light refreshments. **Auditors \$25**

Please contact Jessica Mosbaugh at 510-755-3639 or email Christine Rossi at cmaerossi@gmail.com
